Dear Parents and Caregivers

In the body of today’s newsletter you will find some very important and useful information. You will find the following dates that you can add to your calendars:

- Scheduled times for Parent Meetings for each class. These meetings will be held next week (week 3 of the term).
- An assembly roster for the 2016 school year.
- A 2016 Term One Planner.

All of these documents are also available on our school website: [http://hammondparkps.wa.edu.au/](http://hammondparkps.wa.edu.au/)

**Parent Meetings**

Three of our Kindergarten Parent Meetings were held yesterday (Wednesday). These meetings were well attended and provided parents that came with lots of important information about how this very important first year of learning will unfold. Information regarding school processes such as attendance and parent rosters were also discussed.

All other Parent Meetings are scheduled for next week. Class teachers look forward to this opportunity to meet with you and give you an overview of the programs that will be operating in the class during the year and how you can help support your child’s progress in each of these areas.

You are most welcome to ask questions pertaining to classroom programs during these meetings, but I encourage you to make an appointment to meet with the teacher at another time if you have a query that is specifically related to your child.

All teachers will provide a package that includes a HPPS 2016 Parent Information Booklet that will help guide your understanding of the many organisational aspects of our school that will impact on you and your family each day. If you are unable to make it to the class meeting, your child/children will bring a package home to you in the days following the meeting.

**REMEMBER:**

- “Message You” : \SMS for absences 0437 780 341.
- You can also use Skoolbag to advise of absences.
Parking

Parking in and around the school at afternoon pick-up time is once again creating a problem. It is important that you follow the rules of the road and do not park on the median strips in Eucalyptus Drive (at the front of the school) and Murrumbidgee Drive (on the east side of the school). City of Cockburn Rangers were patrolling this area last Tuesday afternoon. They will be regularly patrolling the area to check that parents are parking correctly when picking up children. Infringements may be issued at these times, so please follow the rules and be courteous when dropping off and picking your children up from the school.

Please remember that it is an offence to stop or park a vehicle:

- Within 3 metres of a double white line
- Within 10 metres of an intersection
- Less than 9 metres from a traffic island

Our First Assembly for the 2016 School Year

Mr Brennan’s Year 3 class will host our first assembly for the year. The assembly will be held in the Undercover Area next Wednesday afternoon at 2.30pm. If your child is the recipient of a Certificate of Recognition at this assembly, you will be advised by the classroom teacher before the assembly date.

You are all most welcome to join us for this special event.

We are pleased to advise that Hammond Park Primary School will be continuing the MULTILIT program this year. MULTILIT is a research initiative of Macquarie University and stands for Making Up Lost Time in Literacy. MULTILIT is an educational program for low progress readers, aimed at students in Year 2 and above. The program is clearly set out and follows a routine of word attack skills, sight word recognition and oral reading.

Volunteers required
We are currently targeting a small number of students requiring this additional support, but would like to make this program available for more students. For this to occur we are appealing to parents, grandparents or community members who would be willing to volunteer some of their time each week to assist. In order to be effective, the program needs a reliable commitment for at least one 30 minute session per week (more if you are really keen!). Volunteers find it rewarding to contribute to improving a child’s reading skills and confidence, and in addition, they learn skills that they can apply to their own children or grandchildren.

How do I participate?
Training and support will be given to new volunteers, where you will be shown through the structured program. DVDs are also available to make the training process easy! After training, one or two children will be assigned to you, dependent upon your available time. Training times will be arranged at a later date to suit all. Unfortunately it is not possible to bring toddlers when volunteering.

Please help - just 30 minutes a week can make a huge difference to a child’s learning experience and self confidence.

If you would like to volunteer or discuss this before committing yourself, please call Rebecca Fowler on the school number: 9494 3200.
Art News

This year the Cockburn Central Education Network’s theme for Visual Art is ‘Sustainability and Environment’.

I have planned some super exciting lessons for years 1 -6 and would be grateful for your assistance in gathering some materials.

Some things I need help collecting for the art room this year:

⇒ empty Nespresso coffee pods – or any metal coffee pods  
⇒ glass marbles  
⇒ beads  
⇒ calendars featuring animals/landscapes/artwork  
⇒ ice cream container lids  
⇒ clean foam meat trays  
⇒ metal ring pulls from cans  
⇒ metal washers, nuts, bolts etc  
⇒ small stones/pebbles

Your help would be very much appreciated!

Can I also ask you to please make sure you send an art shirt in with your child as soon as possible, clearly marked with their name. This will help protect their school uniform during art lessons. The best art shirts are simply an old t-shirt that is a few sizes too big. Anything with buttons can be time consuming to put on.

Thanks for your support

What choice will you make for your school this year?

þ Become a P&C Member or þ Join a P&C Committee

What’s the difference?

A P&C member is someone who has decided they want to have a say with events and fundraising at the school but maybe doesn’t have the extra time to commit to organising events or sitting on a committee. A member will fill out a membership form, pay a $1 annual membership and then do their best to attend the two P&C meetings that occur each term. As part of your membership and attending meetings, you get to vote on issues at the P&C meetings hear about what is happening around the school.

A P&C Committee member is someone who is also a P&C member but has decided to nominate themselves to join either the Executive Committee or one of the sub-committees. And this is where we need people to become involved and take on the roles listed below.

All positions on all Committees and Sub-Committees will be declared vacant at the AGM. If you would like to nominate for any position from the list below then please contact the P&C via the Facebook page or email hammondparkpac@gmail.com

Meetings of the Executive Committee are currently held in Week 4 and Week 8 of each term on a Wednesday night at 7pm in the school Staff Room. Canteen and Fundraising Committee meeting dates, time and location will be determined when those committees meet for the first time after the AGM.
We encourage all parents and caregivers to seriously consider joining the P&C. In our first two years of operation we have provided the following services and events for the school:

- The Fabulous Food Factory (the canteen)
- Sports equipment bags for each block for the students to use during recess and lunch.
- Art equipment and books
- Mobile noticeboards
- A Fun Run
- Mother’s and Father’s Day stalls
- Easter Raffle
- Zinc Station and lunches for the faction carnivals
- School Discos
- Free-dress days

All of the above services and events are not possible without volunteers to make them happen and the more volunteers we have, the more fun we’ll have making our ideas a reality!
