

CRUNCH&SIP®

Crunch&Sip® break is a set break for students to eat fruit or salad vegetables and drink water in the classroom. *Hammond Park Primary School* has introduced Crunch&Sip® to support students to establish healthy eating habits whilst at school.

GOAL

All students and staff members at Hammond Park Primary School enjoy a Crunch&Sip® break and eat fruit or vegetables and drink water in the classroom every day.

OBJECTIVES

The objectives of the Crunch&Sip® break are to:

1. increase awareness of the importance of eating fruit or vegetables and drinking water every day.
2. enable students, teachers and staff to eat fruit or vegetables during an allocated Crunch&Sip® break in the classroom.
3. encourage students, teachers and staff to drink water throughout the day in the classroom, during break times and at sports, excursions and camps.
4. encourage parents to provide students with fruit or vegetables every day.
5. develop strategies to help students who don't have regular access to fruit and vegetables.

PEOPLE INVOLVED IN CRUNCH&SIP® DEVELOPMENT AND REVIEW

The *Hammond Park* Health and PE committee is committed to ensure Crunch&Sip® is fully implemented across the school and staff are supported in this whole school approach. Our *principal, teachers, students, parents, the school health nurse, the health/physical education leaders and school canteen representatives are all involved in promoting Crunch&Sip®*

The draft document is made available for parents and staff to review. The final version of this document will be presented to the *school board* for endorsement.

IMPLEMENTING CRUNCH&SIP®

In the classroom

Teachers will:

- set a Crunch&Sip® time each day in the morning or afternoon.
- encourage all students daily to eat a piece of fruit or vegetable in the classroom during the designated Crunch&Sip® break.
- encourage students to drink a bottle of water in the classroom throughout the day.

Students will:

- wash their hands prior to the Crunch&Sip® break.
- bring fruit or vegetables to school each day to eat at the break.
- wash their water bottle and fill it with water daily, as directed by their teacher.

The school community will:

- find ways to provide fruit or vegetables for students who do not have access to them.

Disseminating information to parents and staff

The *Hammond Park* community will be made aware of Crunch&Sip® by including details:

- in the school policy and procedures manual
- during student enrolment
- on the school website
- in reminders for parents and teachers at least four times a year. Either as talks, newsletters or brochures etc.

REVIEW

It is important to check the progress of Crunch&Sip® in our school. We will:

- review Crunch&Sip® annually with recommendations for improvements made if necessary
- formally review the Crunch&Sip® policy every two to three years. The revised document will be made available for parents and staff for comment. The final revised version will be presented to the *school board* for endorsement.

FRUIT OR VEGETABLES AND WATER GUIDELINES

Fruit

- All fresh fruit is permitted (e.g. whole fruits, chopped melon)
- Fruit canned in water, juice or no added sugar is permitted (e.g. peach slices)
- Fruit canned with artificial sweeteners added is not permitted. Artificial sweeteners are not recommended for children.
- Dried fruit is permitted, although, fresh fruit or vegetables is the first choice because dried fruit contains high concentration of natural sugar and it tends to cling to teeth, increasing risk of tooth decay (e.g. sultanas)

Vegetables

- All fresh vegetables are permitted (e.g. celery, carrot sticks, broccoli bits etc.)

Water

- Only plain water is to be consumed in the classroom.

Foods not permitted at the designated Crunch&Sip® break

- All other foods
- All other drinks (including waters with added vitamins, minerals, or carbonates) are not permitted including:
 - Fruit juice or fruit juice drink
 - Fruit cordial or mineral waters
 - Vegetable juices

CREATING A SUPPORTIVE ENVIRONMENT

Hammond Park Primary School has created an environment to support the establishment of healthy eating habits for students, teachers and staff. Specifically, eating more fruit and vegetables and increasing water intake, at the following times:

Physical Education and Sport

All students will be encouraged to drink water from a water bottle during physical education and sports classes.

Camps and excursions

All students will be required to bring an individual water bottle for all camps and excursions.

Adult role modelling

Teachers, staff and parents will model appropriate consumption of fruit, vegetables and water to reinforce the Crunch&Sip[®] policy.

Occupational Safety and Health

- Water bottles are to be washed daily.
- Parents will be informed of the importance of rinsing fruit and vegetables.
- Students will be informed of the importance of hand washing before eating.
- Students will be required to wash their hands before eating.

School canteen

- The school canteen will sell fruit at cost price and cater for children who are unable to bring crunch & sip.

School management

The school management will:

- Maintain a clean and safe water supply for students to refill water bottles.
- Have a plan in place to ensure access to fruit or vegetables for all students.
