

BULLYING NO WAY!

Friday the 17th of March 2017 was National Day Against Violence and Action. This day is a significant day that resembles no bullying, violence, or abuse to others. All classes in our school participated in the day and it was a huge success! Each student in our school wore their bullying no way wristband with pride.

Our school organised a competition, which was very engaging and supported students in being involved in the day. We used Digital Technologies to create videos, posters and much more to promote the message of Bullying NO WAY!

Our poster competition winners:

Aaira (Year 1)

Jasmine (Year 2)

Lucy (Year 5)

By Daaniyah, Lily & Yasmin (Year 5 & 6)
