

# BIRTHDAY TREATS

Birthdays are a celebration that should be inclusive for all students but for some, this can be an exclusive event when food is involved due to dietary requirements or food intolerances.

To assist, the canteen can bake and deliver treats to make the day special for your student or for the whole class

Orders can be placed online under the Birthdays Tab at [quickcliq.com.au](http://quickcliq.com.au)

Please ensure correct date is selected and sufficient amount ordered to cater for class numbers.

Orders close 48 hours prior to the date needed.

Should there be 2 class sharing orders booked on the same day in the same class,

“first come, first serve” will apply with subsequent orders arranged for another day.

An email will be sent with details of an alternate arrangement.

## CLASS SHARING TREATS

Cupcakes are \$1.50 each, vanilla with white buttercream and choice of sprinkles from The Sprinkle Co.

(customised sprinkle blends we use are free from nuts)

Chocolate or Cinnamon mini cupcakes are \$0.50 each

Both class treats can be ordered in a box of 20, 25, 30 or 35 for the class with any extras to be packaged up for home.

All baked items are free from nuts, eggs, dairy and soy and can be made gluten free when needed.

## INDIVIDUAL TREAT BOX

Packaged in a box with a ribbon, balloon and birthday message from a loved one, this special treat can be filled with a selection of treats just for your student.
