

## 2024 Voluntary Contributions and Charges

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of all contributions and charges prior to the start of the school year. These costs are divided into four areas: **Voluntary Contributions, Student Requirement List, Extra Cost Options and Voluntary Approved Requests**. These costs have been endorsed by the Hammond Park Primary School Board.

- **Voluntary Contributions:** A voluntary school contribution towards the cost of items used in the educational program provided for your child.
- **Extra Cost Items:** An estimate of the costs of these items is listed for non-compulsory activities. Payment for these items is a condition of participation by students.
- **Student Requirement List:** Items on this list are required for students use in their classroom.
- **Voluntary Approved Requests:** This money is used by the school to provide additional opportunities for all students.

1. The Hammond Park Primary School Board has endorsed an amount of \$60.00 per student as a **Voluntary Contribution for 2024**. This equates to approximately \$1.50 per week. These contributions are voluntary. They enhance the teaching and learning opportunities for all students and supplement funding gained from other sources, including the State and Federal governments. At Hammond Park Primary School, the **Voluntary Contributions** will be used to purchase supplementary materials and resources used in classrooms in the following areas:

- Visual Arts Materials
- Literacy and Numeracy Resources
- Humanities and Social Sciences (HASS) and Science Resources
- Information Communication Technology (ICT) Resources
- Library Books
- Physical Education resources

### 2. Student Requirement List

The cost for items on this list will vary from year level to year level. It includes items such as pens, pencils and scrapbooks. Parents may purchase these items from their chosen retailer or use the nominated school supplier **Campion Education**.

You can also pay your **Voluntary Contribution** of \$60 per student for 2024 through **Campion Education** when you order your child's Student Requirements.

This contribution can also be paid at the school office at any time, online by direct deposit, or through the QKR app.

### 3. Extra Cost Items

This amount can vary from year to year and from class to class. A breakdown of estimated **charges** for your child's participation in excursions/in-school activities and swimming lessons etc for 2024 has been outlined in the schedule attached. The amounts indicated on the schedule represent the maximum that can be charged for scheduled activities in 2024. **Students can only participate if they have parental permission and have paid the charge.** This money will be used to fund the following types of activities: *visiting performers, excursions, swimming lessons and other special events.*

### 4. Voluntary Approved Requests

This money is used by the school to provide additional opportunities for all students. They include but are not limited to items such as Technology Co-contributions.

#### **Technology Co Contribution (K – Yr. 6)**

The Western Australian Curriculum expects that students learn to use ICT effectively and appropriately to access, create and communicate information and ideas, solve problems and work collaboratively in all learning areas at school. Together, the teachers and School Board have researched current ICT best practice in education, along with Hammond Park's current and future capacity to deliver this. To maintain our student to device ratio and provide functional devices for students, a \$70 co-contribution for PP-Year 6 and \$40 co-contribution for Kindergarten will help us establish and maintain high ratios of access to technology for students.

#### **Payment of School Contributions and Charges**

Payments can be paid by:

- QKR App
- EFT Transfer to Hammond Park Primary School bank account.  
**Commonwealth Bank BSB 066-040 Acc No 19903274**

#### **School Refund Policy**

School activities (e.g. Excursions/in-school activities/camps) are undertaken by the school on a self-supporting cost basis. If you have paid for an activity and your child is unable to attend, please notify the school as soon as possible. **If the school has incurred a cost/s for an activity on behalf of a student it will not be included in the refund, this usually relates to bus fare.**
